

James A. Holman Jr., D.D.S.  
Dental Treatment Consent Form

1. CONSENT FOR TREATMENT \_\_\_\_\_  
I give consent to James A. Holman JR., D.D.S. to perform dental treatment.
2. DRUG AND MEDICATIONS \_\_\_\_\_  
I understand that antibiotics and analgesics and other medications can cause allergic reactions causing redness and swelling of tissues, pain, itching, vomiting and/or anaphylactic shock (severe allergic reaction).
3. CHANGES IN TREATMENT PLAN \_\_\_\_\_  
I understand that during treatment it may be necessary to change or add procedures because of conditions found while working on the teeth that were not discovered during examination, the most common being root canal therapy following routine restorative procedures. I give my permission to the dentist to make any/all changes and additions as necessary.
4. REMOVAL OF TEETH \_\_\_\_\_  
Alternatives to removal have been explained to me (root canal therapy, crowns, and periodontal surgery, etc.) and I authorize the dentist to remove the following teeth and any others necessary for reasons in paragraph 3. I understand removing teeth does not always remove all the infection, if present, and it may be necessary to have further treatment. I understand the risks involved having teeth removed, some of which are pain, swelling, spread of infection, dry socket, loss of feeling in my teeth, lips, tongue and surrounding tissues (Paresthesia) that can last for a indefinite period of time (days or months) or fractured jaw. I understand I may need further treatment by a specialist or even hospitalization if complications arise during or following treatment, the cost of which is my responsibility.
5. CROWNS, BRIDGES AND CAPS \_\_\_\_\_  
I understand that sometimes it is not possible to match the color of natural teeth exactly with artificial teeth. I understand that I may be wearing temporary crowns, which may come off easily and that I must be careful to ensure that they are kept on until the permanent crowns are delivered. I realize the final opportunity to make changes in my new crown, bridge or cap (including shape, size, fit and color) will be before cementation.
6. DENTURES, COMPLETE OR PARTIAL \_\_\_\_\_  
I understand that full or partial dentures are artificial, constructed of plastic, metal and/or porcelain. The problems of wearing these appliances have been explained to me, including looseness, soreness and possible breakage. I realize the final opportunity to make changes in my new dentures (including shape, fit, size, placement and color)

will be “the teeth in wax” try-in visit. I understand that most dentures require relining approximately three to twelve months after the initial placements. The cost for this procedure is not included in the initial denture fee.

7. ENDODONTIC TREATMENT (ROOT CANAL) \_\_\_\_\_

I realize there is no guarantee that root canal treatment will save my tooth, and that complications can occur from the treatment, and occasionally metal objects are cemented in the tooth, which does not necessarily affect the success of the treatment. I understand that occasionally additional surgical procedures may be necessary following root canal treatment (apicoectomy).

8. PERIODONTAL LOSS (TISSUE & BONE) \_\_\_\_\_

I understand that I have a serious condition, causing gum and bone infection or loss and that it can lead to the loss of my teeth. Alternative treatment plans have been explained to me, including gum surgery, replacement and/or extractions. I understand that undertaking any dental procedures may have a future adverse effect on my periodontal condition.

I understand that dentistry is not an exact science and that, therefore, reputable practitioners cannot fully guarantee results. I acknowledge that no guarantee or assurance has been made by any one regarding the dental treatment which I have requested and authorized. I have had the opportunity to read this form and ask questions. My questions have been answered to my satisfaction. I consent to the proposed treatment.
